Case No. AP-87-02

By motion filed May 19, 1987, Commission staff seeks an extension of time for filing briefs until one week after Commission receipt of specified materials from applicant. As grounds for this request, staff notes applicant's failure to comply with Order No. 2986, served March 11, 1987, which, inter alia, directed applicant to file a current balance sheet and operating statement by April 13, 1987. At applicant's request this date for compliance was extended first to April 30, 1987, and then to May 11, 1987. To date applicant is not in compliance. For good cause shown, the motion, which is unopposed, shall be granted.

IT IS SO ORDERED.
